

WESTPARK PTA

The Parent Teacher Associations (PTA) is a non-profit organization that sponsors educational programs and supports school events throughout the year, such as the school play, STEAM classes, the Spring Carnival, and more! We are an organization of parents, teachers, and staff working together to fill the gap - helping our children receive a well-rounded experience in and out of the classroom.

Corporate/Employer Gift Matching

If your employer offers a gift matching program, it could potentially double your donation to the PTA! See the back side of this flyer for how you can take advantage of this easy way to support our school.

WESTPARKPTA

CORPORATE/EMPLOYER GIFT MATCH

WHAT IS IT?

Q. What is a Gift Matching Program?

A. Gift Matching Programs are offered by many employers, especially larger companies and corporations. These programs provide funds to match employees' charitable contributions. Typically, matching gifts are dollar-for-dollar for a donation that you make.

HOW DOES IT HELP?

Q. How does Gift Matching help Westpark PTA?

A. Employer gift matching allows you to double the impact of your monetary donations *at no cost to you*. So, if you give \$100, which provides the PTA a total of \$200 to fund educational programs and other important educational and community-building activities that the PTA supports for our children at Westpark Elementary.

HOW DO I KNOW?

Q. How do I know if my employer offers a Gift Matching Program?

A. You will need to ask your employer. If your employer has a Foundation, Corporate Social Responsibility or Corporate Citizenship department, start there. Otherwise, talk to your Human Resources department search your company intranet. Additionally, there are several online databases/lists where you can look up your company name. Please note that these are third-party resources and they may not have the most up-to-date information.

HOW DO I USE IT?

Q. How do I use my employer's Gift Matching Program to help the Westpark PTA?

A. First, make a personal donation to the Westpark PTA. We encourage you to make an additional contribution on top of the \$15 membership fee. Keep your receipt - your employer may ask for it to verify your donation.

Next, register your donation for a match through your employer's Matching Gift Program. Procedures vary with each company. You may have to submit your request using an online system by completing a form with the following information:

Organization Name:	Westpark Elementary PTA
Organization Address:	25 San Carlo Irvine, CA 92614
Tax ID Number (EIN):	33-0479508
Contact Email Address:	corpmatch@ptawestpark.com

Your employer's Gift Matching Program will then verify and approve your donation for a match. You should receive confirmation from the program and the PTA should receive the matching gift directly. Please note that Gift Matching Program payment schedules vary by company and funds may be disbursed monthly, quarterly or bi-annually, etc.

TIPS AND TRICKS

- Most companies have minimum and maximum dollar amounts for the donations they'll match, as well as specific rules about the types of nonprofit organizations that are eligible to receive matching gifts.
- If you do not see Westpark Elementary PTA listed as an approved nonprofit organization, you may have to nominate it for eligibility in your employer's gift matching program.
- Check to see if your employer will give more than a dollar-for-dollar match.
